3. Description of scope of work

Background - Roll Back Malaria Partnership (RBM)

The RBM Partnership is the global platform for coordinated action against malaria. It mobilizes for action and resources and forges consensus among partners. The Partnership is comprised of more than 500 partners, including malaria endemic countries, their bilateral and multilateral development partners, the

private sector, nongovernmental and community-based organizations, foundations, and research and academic institutions. For more info check the RBM website: <http://www.rollbackmalaria.org/about-rbm>. RBM structure consists of its management team and Partner Committees focused on the three priorities of the Partnership: Advocacy & Resource Mobilization (ARMPC), Strategic Communications (SCPC) and Country/Regional Support (CRSPC).

Most notably, the purpose of the ARMPC is to design, and subsequently support implementation of the Partnership Advocacy Strategy related to advocacy & resource mobilisation at global & regional levels.

Objectives of the Grant

The successful applicant will be involved in designing a technical and outcome-oriented 3-year workplan in partnership with the ARMPC, as well as in developing an operating framework for the latter by strategic coordination with the ARMPC workstreams and other RBM partner committees.

Supporting the RBM strategy will include compiling and aligning feedback from the ARMPC co-chairs regarding the four ARMPC work streams: Leadership; New Donors; Existing Donors; and the Private Sector.

The ARMPC workplan should provide a detailed framework outlining the role of the ARMPC, its operation, and plans to support its core objectives over the next 3 years. Specifically, this should include:

- a) A clear role and scope of work of the ARMPC within RBM and the broader malaria community;
- b) An operating framework that should include an outline of the supporting working groups, the coordination with the CSRPC and SCPC and of the methods of coordination and communication with the members, among others;
- c) Outline of the ARMPC's areas/regions of focus inclusive of specific actions needed to achieve defined annual targets;
- d) Identification of initial set of activities,

Inputs from the ARMPC co-chairs and individual ARMPC members shall be included in the development of the ARMPC work plan as well as from a shortlist of key stakeholder partners.

4. Evaluation process

In line with UNOPS evaluation principles of fairness, transparency and integrity, an independent Grant Evaluation and Selection Committee will be responsible for the review of proposals and the Grantee selection. The review is based on the criteria outlined in the 'Call for Proposals' (CFP) and includes an assessment of the grant proposal's formal, technical and financial aspects. The review should usually include at least two (2) 'substantially compliant' proposals and result in the selection of the lowest priced, substantially compliant proposal. Any non-compliant proposal may automatically be eliminated from the evaluation process.

Technical Evaluation Criteria	Maximum score
Nature of the proposing organization, legal status (registration with government approved authority), two latest annual financial statements, and membership and affiliation to associations.	20
Demonstrate existing engagement in advocacy and policy related to the fight against malaria.	25
Proven experience related to logistical arrangements, engage and survey key actors and partners and strategic coordination.	25
Ability to share a draft ARMPC work plan with ARMPC by latest mid-November.	25

Innovative partnerships and focused advocacy between organizations/implementing partners will be considered.	5
Total score	100

Only proposals that have a Technical Component receiving more than 70 points out of the potential 100 points shall be considered for financial evaluation. Financial proposals will be evaluated following the completion of the technical evaluation.

5. UNOPS Grant Support Agreement

The UNOPS Standard Grant Support Agreement (GSA) containing UNOPS General Conditions for Grant Support Agreements is attached as **Annex 2**. The GSA constitutes an integral part of this CFP as it is mandatory to accept this agreement with its conditions before submitting a proposal.

Call for Proposals (CFP)

Annex 1 - Grant Application template

Component 1: Organizational Background and Capacity to implement the grant activities (max 1 page)

This section should clearly demonstrate that the proposing organization has the experience, capacity, and commitment to implement successfully the proposed grant activities. Suggested issues to be covered in this section include:

1. Nature of the proposing organization (not-for profit organization)?
2. Purpose and core activities of the organization (malaria related issues).
3. Organizational approach (philosophy), *i.e.* how does the organization deliver its projects?
4. Length of existence and relevant experience (minimum of 2 years of proven experience in advocacy around malaria within the last 5 years).
5. Organizational structure, governance and administrative framework.
6. Membership and affiliation to associations or umbrella groupings (within malaria related framework).
7. Legal status - registration with government approved authority.
8. Previous experience relevant to the proposed grant activities.

Component 2: Objectives and Expected Results (max 1 page)

This section should contain a clear and specific statement of what the proposal will accomplish. Suggested issues to address include:

- The **problem statement** or challenge the grant activities are intended to address.
- The primary and specific **objectives**.
- The **rationale** for the project. The rationale should indicate the importance of the proposed grant activities in terms of contributing to the overall and/or specific objective/s.
- The specific **results** that the grant activities will produce. The expected results are the measurable changes which will have occurred by the end as a result of the planned intervention (in view of Objectively Verifiable Indicators)

Component 3: Description of Grant Project Activities (max 2.5 pages)

This section should describe what will actually be done to produce the expected results and accomplish the proposed objectives. There should be a clear and direct linkage between the activities and the outcomes. The proponent must ensure that the activities are a means to getting the intended outcomes.

Activity descriptions should be as specific as necessary, identifying **what** will be done, **who** will do it, **when** it will be done (beginning, duration, completion), and **where** it will be done. In describing the activities, an indication should be made regarding the organizations and individuals involved in or benefiting from the activity.

Component 4: Implementation and Monitoring Plan (max 2 pages)

This section may be presented in graphical (table) form and can be attached as an Annex. It should indicate the **sequence of all major activities and implementation milestones**, including targeted beginning and ending dates for each step. Provide as much detail as necessary. The Implementation Plan should show a logical flow of steps, indicating that all the things that must happen have been carefully thought through from the start to the end of the grant project. Please include in the Implementation Plan all required milestone reports and monitoring reviews.

This section should contain an explanation of the plan for monitoring and evaluating the grant project, both during its implementation (formative) and at completion (summative). Suggested key issues to be addressed are:

- How the performance of the grant activities will be tracked in terms of achievement of the steps and milestones set forth in the Implementation Plan
- How the impact of the project will be assessed in terms of achieving the project's objective/s
- How any mid-course correction and adjustment of the design and plans will be facilitated on the basis of feedback received
- How the participation of community members in the monitoring and evaluation processes will be achieved.

Propose specific and measurable indicators relating to project performance and impact which can form the basis for monitoring and evaluation. These indicators will be refined, and will form an important part of the grant agreement between the proposing organization and UNOPS.

Component 5: Grant Budget Breakdown
--

The development and management of a realistic budget is an important part of developing and implementing successful grant activities. Careful attention to issues of financial management and integrity will enhance the effectiveness and impact. The following important principles should be kept in mind in preparing a project budget:

- Include only costs which directly relate to efficiently carrying out the activities and producing the objectives which are set forth in the proposal. Other associated costs should be funded from other sources.
- The budget should be realistic. Find out what planned activities will actually cost, and do not assume that you will be able to make do for less.
- The budget should include all costs associated with managing and administering the grant project. In particular, include the cost of monitoring and evaluation.
- Indirect costs, or administrative overhead costs, such as staff salaries and office rent are not funded. These therefore should not be part of the funding request.
- Grant funds should be overall spent according to the agreed budget.
- All relevant, financial records should be made available upon request. These may be independently audited, and usually will become public information.
- The budget line items are general categories intended to assist in thinking through where money will be spent. If a planned expenditure does not appear to fit in any of the standard line item categories, list the item under other costs, and state what the money is to be used for.
- The figures contained in the Budget Sheet should agree with those on the proposal header and text.

Expenditure Category	Year 1, [local currency]	Year 2, [local currency]	Total, [local currency]	US\$	% Total
1. Personnel / Labour					
2. Equipment / Materials					
3. Training / Seminars / Travel Workshops					
4. Contracts					

5. Other costs ¹					
6. Incidentals					
7. Other support requested					
7. Contingency (max. 5%)					
Total Grant Project Cost					

Component 6: Risks to Successful Implementation (1 page)

Identify and list any major risk factors that could result in the grant activities not producing the expected results. These should include both internal factors (for example, the technology involved fails to work as projected) and external factors (for example, significant currency fluctuations resulting into changes in the economics of the grant project).

Include in this section also the key **assumptions** on which the grant activity plan is based on. In this case, the assumptions are mostly related to external factors (for example, government environmental policy remaining stable) which are anticipated in planning, and on which the feasibility of the grant activities depend.

¹ **Other Costs:** Outline other forms of support requested which are not included in the budget. This support may be for both technical and administrative matters (and not for additional funding). This may cover areas which you need to specify such as: Consultants; Procurement; and Other_(specify)

GENERAL CONDITIONS FOR GRANT SUPPORT AGREEMENTS

1. Liability and General Obligations of Grantee

- 1.1 The Grantee shall be responsible for complying with any legal obligations incumbent on them.
- 1.2 The Grantee shall carry out all activities for which it is responsible under this Agreement with due diligence and efficiency.
- 1.3 UNOPS shall not, under any circumstances or any grounds, be held liable in the event of a claim under the Agreement relating to any damage caused during the Activity's execution.
- 1.4 The Grantees shall make good any damage sustained by UNOPS as a result of the execution or faulty execution of the Activity.
- 1.5 Subject to the express terms of this Agreement, it is understood that the Grantee shall have exclusive control over the administration and implementation of this Agreement and that UNOPS shall not interfere in the exercise of such control. However, both the quality of the Grantee's work and the progress being made toward successfully achieving the goals of such activities shall be subject to review by UNOPS. If at any time UNOPS is not satisfied with the quality of work or the progress being made toward achieving such goals, UNOPS may in its discretion (i) withhold payment of funds until in its opinion the situation has been corrected; or (ii) declare this Agreement terminated by written notice to the Grantee; and/or (iii) seek any other remedy as may be necessary. UNOPS' determination as to the quality of work being performed and the progress being made toward such goals shall be final and shall be binding and conclusive upon the Grantee insofar as further payments by UNOPS are concerned.
- 1.6 UNOPS undertakes no responsibilities in respect of life, health, accident, travel or any other insurance coverage for any person who may be necessary or desirable for the purpose of this Agreement or for any personnel undertaking activities under this Agreement. Such responsibilities shall be borne by the Grantee.
- 1.7 The rights and obligations of the Grantee are limited to the terms and conditions of this Agreement. Accordingly, the Grantee and personnel performing services on its behalf shall not be entitled to any benefit, payment, compensation or entitlement from UNOPS except as expressly provided in this Agreement.

2. Intellectual Property Rights

- 2.1 All intellectual property rights, including but not limited to maps, drawings, photographs, mosaics, plans, manuscripts, records, reports, recommendations, estimates, documents, images, sounds and other materials, except pre-existing materials, publicly or privately owned, collected, created, developed or prepared as a consequence of or in the course of the performance of this Activity, shall become the sole property of the Funding Source, unless otherwise stipulated in the Project Agreement.
- 2.2 The Grantee shall hold harmless and fully indemnify UNOPS from and against all claims and proceedings for infringement of any patent rights, design trademark or name or other protected rights resulting from Grantee's performance.

3. Confidentiality

- 3.1 UNOPS and the Grantee undertake to preserve the confidentiality of any document, information or other material directly related to the Activity that is deemed or classified as confidential, where disclosure could cause prejudice to the other party.

4. Allowable Costs

- 4.1 The Grantee shall be reimbursed for costs incurred in carrying out the purposes of this Agreement which are determined by UNOPS to be reasonable, allocable, and allowable in accordance with the

terms of this Agreement. The following definitions of what may be considered as reasonable, allocable, and allowable costs apply:

- (a) Reasonable: shall mean those costs which are generally recognized as ordinary and necessary and would be incurred by a prudent person in the conduct of normal business.
- (b) Allocable costs: shall mean those costs which are incurred specifically in connection to the Agreement, and are provided in the estimated budget at Annex B.
- (c) Allowable costs: shall mean those costs which conform to any limitations in the Agreement.

- 4.2 The reasonable, allocable and/or allowable costs must be incurred during the period of the Agreement, specified in Article 3 of the Agreement, and recorded in the Grantee's accounts in accordance with accepted accounting procedures.
- 4.3 Prior to incurring a questionable or unique cost, the Grantee shall obtain UNOPS's written determination on whether the cost will be allowable.
- 4.4 It is UNOPS policy that no funds shall be paid as profit or fee to a Grantee under this Agreement or any sub-Grantee. This restriction does not apply to contractual relationships entered into by the Grantee under this Agreement.

5. Accounting, Audit and Records

- 5.1 The Grantee undertakes to provide any detailed information requested by UNOPS to verify that the Activity and the provisions of the Agreement are being properly implemented.
- 5.2 Prior Grantee shall maintain all financial records, supporting documents, statistical records and all other records pertinent to this Agreement in accordance with generally accepted accounting principles [or applicable national legislation] to sufficiently substantiate charges to this Agreement. Accounting records that are supported by documentation will as a minimum be adequate to verify all costs incurred under the Agreement, receipt, and use of goods and services acquired under the Agreement, the costs of the program supplied from other sources, and the overall progress of the program. Unless otherwise notified, the Grantee's records and sub-Grantee records which pertain to this Agreement shall be retained for a period of seven years from the date of submission of the final financial report and may be audited by UNOPS and/or its representatives.
- 5.3 The Grantee shall furnish, compile and make available at all times to UNOPS any records or information, oral or written, which UNOPS may reasonably request in respect of the funds received by the Grantee.
- 5.4 UNOPS shall retain the right to conduct a financial review, require an audit, or otherwise ensure adequate accountability of organizations expending UNOPS funds.
- 5.5 The Grantee shall allow UNOPS staff and outside personnel (including third party entities engaged by UNOPS) the appropriate right of access to sites and premises of the Activity, and to all records and information required in order to conduct a financial review or audit.
- 5.6 This provision in its entirety shall be incorporated into all sub-grants to eligible sub-Grantees which exceed USD 30,000. Sub-grants to eligible sub-Grantees which are for more than USD 2,500 but less than USD 30,000 shall at a minimum incorporate article 5.2 of this provision.

6. Bank accounts, Payment Advances and Refunds

- 6.1 The Grantee shall maintain advances of UNOPS funds in dedicated and separate accounts to the Grantee's ordinary funds. Such accounts must be interest bearing, unless:
 - (a) The Grantee receives less than \$100,000 in UNOPS awards per year;
 - (b) The best reasonably available interest bearing account would not be expected to earn interest in excess of \$250 per year on UNOPS cash balances; or
 - (c) The depository would require an average or minimum balance so high that it would not be practical to maintain the advance in an interest bearing account.
- 6.2 Interest earned on advances will be remitted to UNOPS. However, the Grantee may retain up to \$250 of interest earnings per account per year, for administrative expenses.
- 6.3 At the time the Agreement expires or is terminated, the following types of funds shall immediately revert to UNOPS:
 - (a) Any balance of funds that has not been disbursed to the Grantee; or
 - (b) UNOPS has advanced funds to the Grantee, but the Grantee has not expended them.
- 6.4 Notwithstanding 6.3 above, funds which the Grantee has obligated in legally binding transactions applicable to this Agreement will not revert to UNOPS.

- 6.5 UNOPS reserves the right to require refund by the Grantee of any amount which the Grantee did not spend in accordance with the terms and conditions of this Agreement. In the event that a final audit has not been performed prior to the closeout of this Agreement, UNOPS retains the right to a refund until all claims which may result from the final audit have been resolved between UNOPS and the Grantee.
- 6.6 The Grantee acknowledges that UNOPS and its representatives have made no actual or implied promise of funding except for the amounts specified by this Agreement. If any of the funds are returned to UNOPS or if this Agreement is rescinded, the Grantee acknowledges that UNOPS will have no further obligation to the Grantee as a result of such return or rescission.

7. Revision of Agreement Budget

- 7.1 The approved Agreement budget is the financial expression of the Grantee's programme as approved during the award of the Agreement process.
- 7.2 The Grantee is required to report, in writing, deviations from budget and programme plans, and request prior approvals from UNOPS for any of the following reasons:
- (a) To change the scope or the objectives of the programme and/or revise the funding allocated among project objectives.
 - (b) To change a key person where specified in the Agreement, or allow a 25% reduction in time devoted to the project.
 - (c) Additional funding is needed.
 - (d) Where indirect costs have been authorized, the Grantee plans to transfer funds budgeted for indirect costs to absorb increases in direct costs or vice versa.
 - (e) The Grantee intends to contract or sub-grant any of the work under this Agreement, and such contracts or sub-grants were not included in the approved Agreement budget.
- 7.3 The Grantee is further restricted from transferring funds among cost categories. The Grantee is required to get the prior approval of UNOPS before making budget shifts which expect to exceed 50 % of the total Grant budget.
- 7.4 UNOPS is under no obligation to reimburse the Grantee for costs incurred in excess of the total grant amount specified in this Agreement. An increase to the total grant amount shall require an amendment to the Agreement in writing.
- 7.5 The total grant amount under this Agreement is not subject to any adjustment or revision because of price or currency fluctuations or the actual costs incurred by the Grantee in the performance of the activities under this Agreement.

8. Procurement of Goods and Services

- 8.1 Where implementation of the Activity requires the award of procurement contracts, the Grantee shall maintain a written code or standards of conduct that shall govern the performance of its employees engaged in the awarding and administration of contracts. No employee, officer, or agent shall participate in the selection, award, or administration of a contract supported by UNOPS funds if a real or apparent conflict of interest would be involved. Such conflict would arise when the employee, officer or agent, or any member of the employee's immediate family, the employee's partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in the firm selected for an award. The officers, employees, and agents of the Grantee shall neither solicit nor accept gratuities, favours, or anything of monetary value from contractors or parties to sub-agreements. However, the Grantee may set standards for situations in which the financial interest is not substantial or the gift is an unsolicited item of nominal value. The standards of conduct shall provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the Grantee.
- 8.2 The Grantee shall establish written procurement procedures if procurement of goods or services in excess of USD 2,500 is envisaged under this Agreement. All procurement transactions shall be conducted in a manner to provide, to the maximum extent practical, transparent, open and free competition and the use of resources in an ethical, efficient and effective manner. The Grantee shall be alert to organizational conflicts of interest as well as non-competitive practices among contractors that may restrict or eliminate competition or otherwise restrain trade. In order to ensure objective contractor performance and eliminate unfair competitive advantage, contractors that develop or draft specifications, requirements, statements of work, invitations for bids, and/or requests for proposals shall be excluded from competing for such procurements. Contracts shall be made to the offeror

whose offer is responsive to the solicitation and is most advantageous to the Grantee, price, quality, and other factors considered. Solicitations shall clearly establish all requirements that the bidder or offeror shall fulfil in order to be evaluated by the Grantee. Any and all offers may be rejected when it is in the Grantee's interest to do so.

- 8.3 Contracts shall be made only with responsible contractors who possess the potential ability to perform successfully under the terms and conditions of the proposed procurement. Consideration shall be given to such matters as contractor integrity, record of past performance, financial and technical resources, or accessibility to other necessary resources.
- 8.4 Grantees shall ensure that the conditions applicable under these General Conditions are also applicable to the contractor.

9. Sub-Grant Agreements

- 9.1 Sub-grant agreements shall be made only with responsible Grantees who possess the potential ability to perform successfully under the terms and conditions of a proposed agreement. Consideration shall be given to such matters as integrity, record of past performance, financial and technical resources, or accessibility to other necessary resources.
- 9.2 All sub-grant agreements shall at a minimum contain provisions to define a sound and complete agreement in addition to those that are specifically required by any other provisions in this Agreement. Whenever a provision within this Agreement is required to be inserted in a sub-agreement, the Grantee shall insert a statement in the sub-agreement that in all instances where UNOPS is mentioned, the Grantee's name will be substituted.
- 9.3 Grantees shall ensure that the conditions applicable under these General Conditions are also applicable to the sub-grantees.

10. Third Party Claims

The Grantee shall be solely liable for claims by third parties arising from the Grantee's acts or omissions in the course of performing this Agreement and under no circumstances shall UNOPS be held liable for such claims by third parties. The Grantee shall indemnify, defend, save and hold UNOPS harmless in respect of such claims. This indemnity shall survive the termination or expiration of the Agreement.

11. Non-expendable equipment

- 11.1 Title to all non-expendable equipment purchased with project funds supplied by UNOPS shall be the property of the Funding Source.
- 11.2 The Grantee shall maintain records of non-expendable equipment with an acquisition value of USD 500 or more purchased with project funds supplied by UNOPS. The Grantee will submit an inventory of such equipment to UNOPS attached to each milestone report, indicating description, serial no., date of purchase, original cost, present condition and location of each item. Equipment purchased by the Grantee with funds supplied by UNOPS shall be used solely for the purposes indicated in Annex B throughout the duration of this Agreement.
- 11.3 Within 90 calendar days after the end of the Agreement, the Grantee will provide a list, for UNOPS' review and approval, of each item that has an acquisition value of USD 500 or more, with a corresponding detailed proposal relating to the future status of that item, namely whether it is intended for sale, transfer or donation. Where the Grantee sells the property, or item, it will transfer the proceeds of the sale to UNOPS within 30 calendar days.

12. Anti-corruption

- 12.1 The Grantee warrants that it has not and shall not offer any direct or indirect benefit arising from or related to the performance of this Agreement or the award thereof to any representative, official, employee, or other agent of UNOPS or any organization of the UN system.
- 12.2 The Parties declare their commitment to counteract corrupt practices in the execution of this Agreement. Further, the Parties commit themselves not to accept, either directly or indirectly, as an inducement or reward in relation to the execution of this Agreement, any kind of offer, gift, payments or benefits, which would or could be construed as a corrupt practice.

13. Anti-terrorism

- 13.1 The Grantee agrees to undertake all reasonable efforts to ensure that none of the UNOPS funds received pursuant to this Agreement are used to provide support to individuals or entities associated with terrorism and that the Grantee or any sub-grantees of any amounts provided by UNOPS hereunder do not appear on the list maintained by the Security Council Committee established pursuant to resolution 1267 (1999). The list can be accessed via <http://www.un.org/Docs/sc/committees/1267/1267ListEng.htm>. This provision must be included in all sub-contracts or sub-agreements entered into under this Agreement.

14. Suspension

- 14.1 Whenever UNOPS considers that the Grantee is not performing to a satisfactory standard, UNOPS may suspend, in whole or in part, the Activity under the Agreement in order to renegotiate and/or propose necessary amendments to the Agreement to redress the situation. When UNOPS suspends the Activity, in whole or in part, it must give immediate written notice to the Grantee, detailing the problems and the conditions required to reinstate the Activity.
- 14.2 The suspension will take effect on the date the Grantee receives the notification.
- 14.3 Upon receipt of a suspension notice, the Grantee shall not incur any costs relating to the Activity, or part of the Activity, which has been suspended.
- 14.4 The Activity, in whole or in part, which has been suspended, can be resumed once UNOPS and the Grantee have agreed on the terms of the continuation (including any extension of duration of the Activity). Any such agreement shall be in the form of a written amendment to the Agreement, pursuant to Article 16 of the General Conditions.
- 14.5 Any portion of this Agreement not suspended shall remain in full effect.

15. Termination

- 15.1 UNOPS may terminate this Agreement at any time, in whole or in part, upon 14 calendar days' written notice to the Grantee, whenever it is determined that the Grantee has failed to fulfil a substantial obligation incumbent on it, under the terms and conditions of the Agreement, or where sufficient funds have not been made available to UNOPS by its funding sources.
- 15.2 This Agreement may be terminated at any time, in whole or in part, by UNOPS with the consent of the Grantee. Both parties shall agree upon termination conditions, including the effective date and, in the case of a partial termination, the portion of the Agreement to be terminated. The agreement to terminate shall be set forth in a letter from UNOPS to the Grantee.
- 15.3 UNOPS may terminate this Agreement or portion of this Agreement with immediate effect upon written notice to the Grantee if it determines that corrupt, fraudulent or misrepresentative practices were engaged in by representatives of the Grantee during award or during the execution of this Agreement without the Grantee having taken timely and appropriate action satisfactory to UNOPS to remedy the situation.
- 15.4 Upon receipt of and in accordance with a termination notice as specified above, the Grantee shall take immediate action to minimize all expenditures and obligations financed by this Agreement and shall cancel such unliquidated obligations whenever possible. Except as provided below, the Grantee shall not incur costs after the effective date of termination.
- 15.5 The Grantee shall within 30 calendar days after the effective date of such termination repay to UNOPS all unexpended UNOPS funds which are not otherwise obligated by a legally binding transaction applicable to this Agreement. Should the funds paid by UNOPS to the Grantee prior to the effective date of the termination of this Agreement be insufficient to cover the Grantee's obligations in the legally binding transaction, the Grantee may submit to UNOPS within 90 calendar days after the effective date of such termination a written request for payment covering such obligations. UNOPS shall determine the amount(s) to be paid by UNOPS to the Grantee under such claim in accordance with this Agreement. This provision must be included in all sub-agreements.
- 15.6 Any portion of this Agreement not terminated shall remain in full effect.

16. Amendment

No modification of or change in this Agreement, waiver of any of its provisions or additional contractual provisions shall be valid or enforceable unless previously approved in writing by the

parties to this Agreement or their duly authorized representatives in the form of an amendment to this Agreement duly signed by the parties hereto.

17. Dispute Resolution

Any controversy or claim arising out of, or in accordance with this Agreement or any breach thereof, shall unless it is settled by direct negotiation, be settled in accordance with the UNCITRAL Arbitration Rules as at present in force. Where, in the course of such direct negotiation referred to above, the parties wish to seek an amicable settlement of such dispute, controversy or claim by conciliation, the conciliation shall take place in accordance with the UNCITRAL Conciliation Rules as at present in force. The parties shall be bound by any arbitration award rendered as a result of such arbitration as the final adjudication of any such controversy or claim.

18. Privileges and Immunities

Nothing in or relating to this Agreement shall be deemed a waiver of any privileges and immunities of the United Nations and/or UNOPS.
