

UNOPS Procurement

Kristof Choinski, Procurement Advisor
Shared Service Centre

UNOPS – Basic Facts

- United Nations Office for Project Services
- operational arm of the United Nations, dedicated to implementing projects for the United Nations System, international financial institutions, governments and other partners around the world.
- established in 1973 as part of UNDP
- became an independent, self-financing organization in 1995
- covers its costs by charging a fee on each project supported
- not-for-profit

Examples

UNOPS procurement 2018 – USD 921, 54% Goods

UNOPS is a central procurement resource in the United Nations system

\$921 million
worth of goods and services

14 %
Pharmaceuticals,
Contraceptives,
Vaccines

11% Works

9% Motor Vehicles

6 % Laboratory and
testing equipment

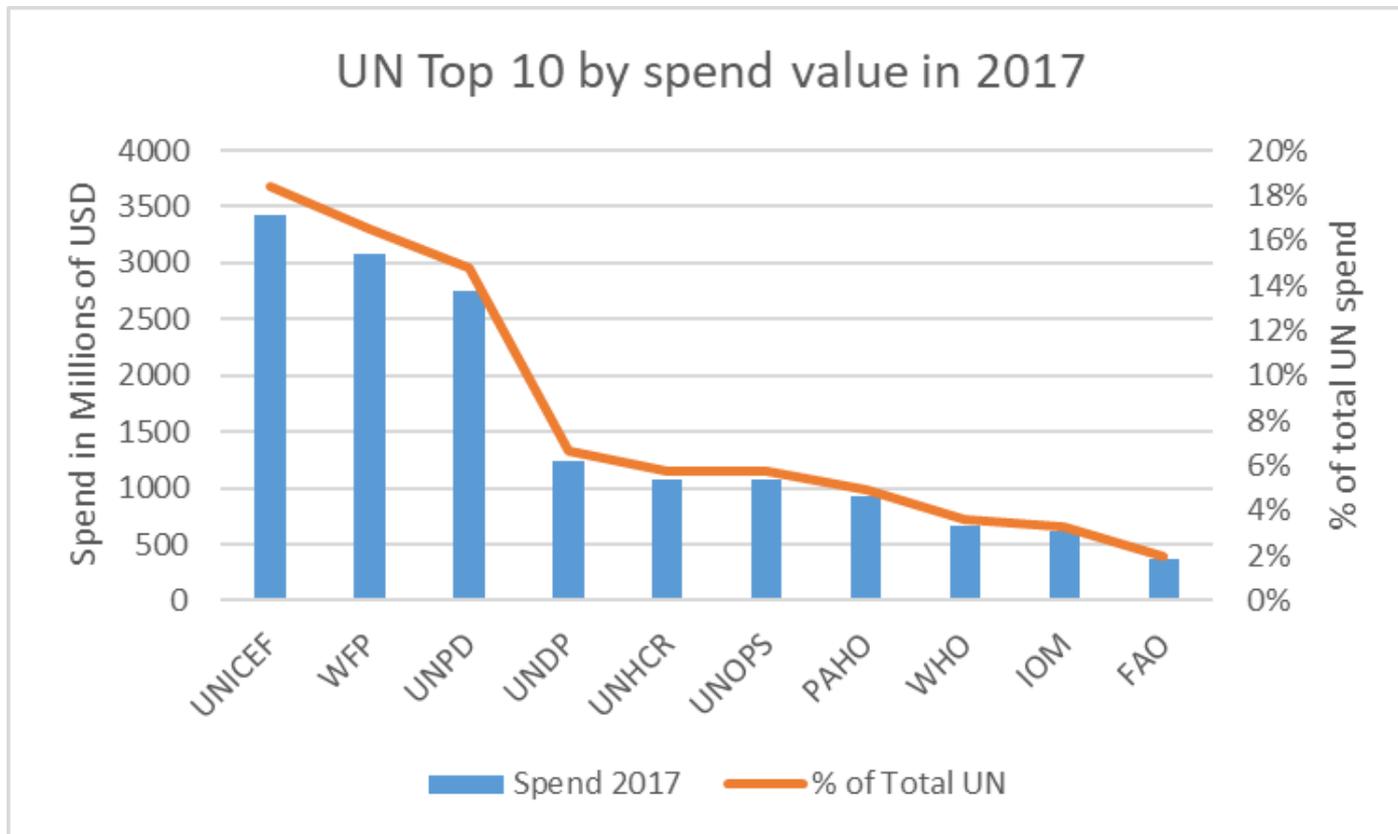

5% ICT Equipment

61%

of UNOPS goods and services were procured from least developed countries, developing countries or countries with economies in transition in 2018.

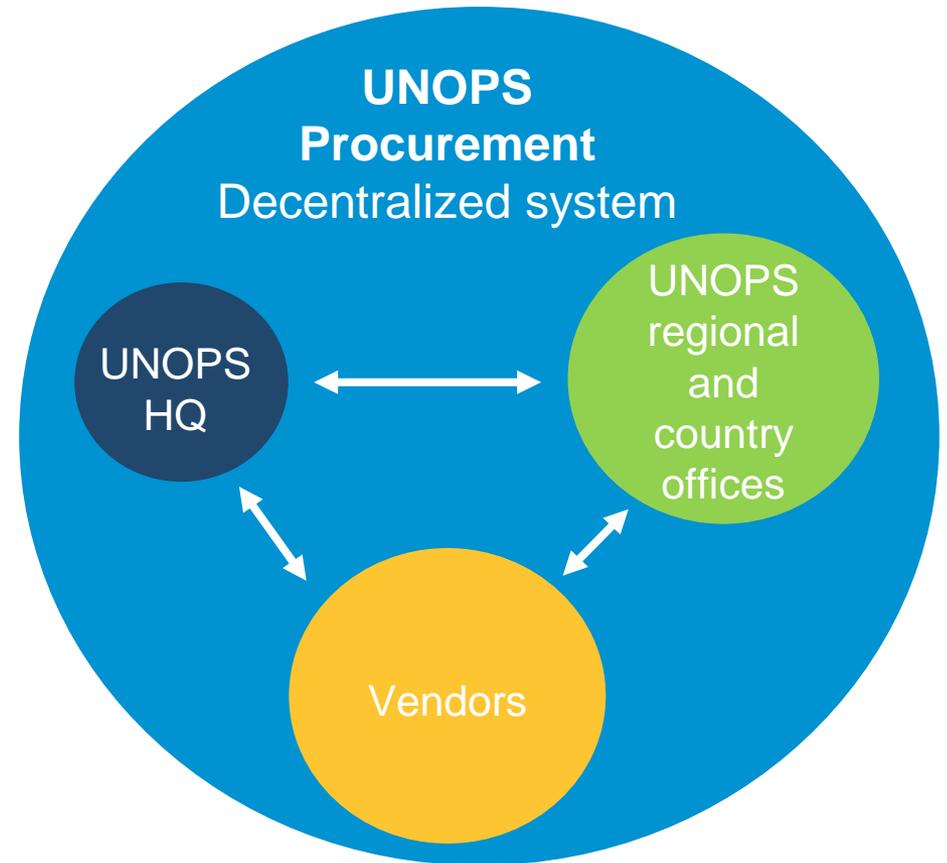

UN global procurement 2017

- Total procurement of \$18.6 billion in 2017 by 40 organizations
- Ten organizations were responsible for \$15.9 billion of this procurement

How we do procurement

- CIPS Corporate Certification - UNOPS received the Chartered Institute of Procurement and Supply (CIPS) Corporate Certification in 2011, which endorses excellence in procurement policies, procedures and practices
- CIPS Gold Certification for Sustainable Procurement
- Sustainable Procurement Framework
- DRiVE programme ((Delivering Responsibility in Vendor Engagement) - to ensure that UNOPS vendors operate with responsibility and in alignment with high standards of integrity through the development of a vendor measurement, inspection and corrective action planning
