If the Bidder that submitted the lowest evaluated Bid does not accept the correction of errors, its Bid shall be rejected and its Bid Security may be forfeited.

28. PRELIMINARY EXAMINATION

Upon opening of the bids, UNOPS shall proceed to a preliminary examination of the bids to confirm that all documents and technical documentation requested in Instructions to Bidders Article 10, Documents comprising the bid, have been provided, and to determine the completeness of each document submitted. UNOPS may reject any bid during the preliminary examination which does not comply with the formal and eligibility requirements set out in Section III: Evaluation criteria, without further consultation with the bidder.

Bids which are incomplete, frivolous, or that contain material deviations from or reservations to the terms of the Contract, may, in UNOPS absolute discretion, be rejected or excluded from further consideration at any time during the evaluation, including after preliminary examination.

29. EVALUATION OF BIDS

To evaluate a Bid, UNOPS shall only use all the methodologies and criteria defined in the ITB. No other criteria or methodology shall be permitted.

All bids found substantially compliant with the formal and eligibility criteria under Article 28, Preliminary Examination, will go through subsequent evaluation as follows:

1. Qualification criteria (if included in Section III: Evaluation Criteria). Only bidders meeting the minimum qualification criteria will be deemed qualified and be evaluated further.

- 2. Technical evaluation will be conducted to establish substantial compliance, as per criteria included in Section III. When the specifications of the item/s quoted vary in one or more significant aspect/s from the minimum required technical specifications, or when the bid does not meet the delivery schedule, the bid will not be considered substantially compliant and will not be evaluated further.
- 3. The prices of bids found to be substantially compliant, will be compared to identify the most substantially compliant bid which represents the lowest overall costs to UNOPS.

After completion of the evaluation but prior to award, UNOPS shall conduct background checks/due diligence on the Bidder recommended for award, to confirm the Bidder meets the criteria set forth in this ITB or as appropriate to the nature of the procurement process and to reject a Bidder on the basis of these findings. Bidders shall permit UNOPS representatives to access their facilities at any reasonable time to inspect the Bidder's premises.

30. AWARD CRITERIA

In the event of a Contract award, UNOPS shall award the Contract to a Bidder who has been determined as eligible and qualified and whose bid has been determined to be the lowest priced, substantially compliant offer to the Bidding Documents. UNOPS reserves the right to conduct negotiations with the bidder recommended for award on the content of their bid.

31. UNOPS RIGHT TO VARY QUANTITIES AT THE TIME OF AWARD

At the time the Contract is awarded, UNOPS reserves the right to increase or decrease the quantity of Goods and/or Services originally specified in Section IV, Schedule of Requirements, provided this does not exceed the percentages specified in **Section IV: Schedule of Requirements**, and without any change in the unit prices or other terms and conditions of the bid and the ITB.

32. NOTIFICATION OF AWARD

Prior to the expiration of the period of bid validity, UNOPS will notify the successful Bidder in writing by email or post, that its bid has been accepted. Please note that the Bidder, if not already a registered vendor, will be required to complete a vendor registration process on the UNGM prior to the signature and finalization of the contract.

33. SIGNING OF CONTRACT

At the same time as UNOPS notifies a successful Bidder that its bid has been accepted, UNOPS will invite the Bidder, provided the Bidder is successfully registered on the UNGM, to sign the final version of the Contract provided in the Bidding Documents, incorporating all agreements between the parties.

34. PERFORMANCE SECURITY

The successful Bidder, if so specified in **Section I: ITB Particulars** shall furnish a Performance Security in the amount and form specified therein, within the specified number of days after receipt of the Contract from UNOPS. UNOPS shall promptly discharge the Bid Securities of the unsuccessful Bidders pursuant to Instructions to Bidders Article 18.

Failure of the successful Bidder to submit the above-mentioned Performance Security or sign the Contract shall constitute sufficient grounds for the annulment of the award and forfeiture of the Bid Security. In that event UNOPS may award the Contract to the next lowest evaluated Bidder, whose offer is substantially responsive and is determined by UNOPS to be qualified to perform the Contract satisfactorily.

35. PAYMENT TERMS

UNOPS will ordinarily effect payment within 30 days after receipt of the services/goods and on submission of payment documentation unless otherwise stated in **Section I: ITB Particulars**. Time in connection with discounts offered for accelerated payment will be computed from the date of receipt of payment documents by UNOPS. Payment discounts will not be considered in the financial evaluation.

Unless otherwise stated in **Section I: ITB Particulars**, UNOPS will not accept requests from Bidders to make advanced payments on the contract signed, i.e. payments made prior to receipt of goods and/or services.

If so accepted in **Section I: ITB Particulars**, a request from the bidder for advance payment shall be justified in writing by the bidder in its bid. This justification must explain the need for the advance payment, itemize the amount requested, and provide a time-schedule for utilization of the requested advance payment amount. If such request is duly accepted by UNOPS, UNOPS may require the Bidder to submit a Bank Guarantee in the

same amount as the advanced payment, in the form included in Section VI Contract Forms, or another Form acceptable to UNOPS.

36. CONTRACT MANAGEMENT

UNOPS will continuously manage the contractor's performance during the entire contract period and will conduct performance evaluation based on Key Performance Indicators (KPIs) or Service Level Agreements (SLA) if so specified in Section IV: Schedule of Requirements.

Except under the circumstances of Force Majeure as described under the UNOPS General Conditions of Contract, if the Contractor fails to deliver any or all of the goods by the date(s) of delivery or perform the services tied to the delivery of goods within the period specified in the Contract, UNOPS may, without prejudice to any or all its other remedies under the Contract and if so stated in **Section I: ITB Particulars**, deduct from the Contract price, as liquidated damages, a sum of the original total Contract price for each day of delay until actual delivery or performance, up to a maximum deduction of 10%. Once the maximum is reached, UNOPS may terminate the Contract pursuant to the General Conditions of Contract.

37. PUBLICATION OF CONTRACT AWARD

UNOPS shall publish in its website (https://data.unops.org) information regarding the purchase order(s) awarded as a result of this ITB. After publication of the award, unsuccessful Bidders may request in writing to UNOPS for a debriefing seeking explanations on the grounds on which their bids were not selected. UNOPS shall promptly respond in writing to any unsuccessful Bidder who, after Publication of contract award, requests a debriefing.

38. OTHER UNOPS RIGHTS

Subject to Article 29, UNOPS shall have no obligation to accept any bid, including the bid with the lowest price.

UNOPS may, in its absolute discretion, do all or any of the following:

- (i) require additional information from bidders;

39. CONFIDENTIALITY

All information and documents provided to the bidders by UNOPS shall be treated as confidential by the bidders and shall:

- (i) remain the property of UNOPS:
- (ii) not be used for any purpose other than the purpose of preparing a bid; and
- (iii) be immediately returned to UNOPS in the event the bidder declines to respond to this ITB, or, in the event of a rejected or an unsuccessful bid, within fifteen days of being notified by UNOPS that its bid was rejected or unsuccessful.

All information and documents provided to the bidders by UNOPS shall not be disclosed to any third party, except:

- (i) with the prior written consent of UNOPS;
- (ii) where the third party is assisting a bidder in preparing the bid, provided the bidder has previously ensured that party's adherence to this duty of confidentiality;
- (iii) if the information or documents is/are at the time of this ITB lawfully in the possession of the bidder through a party other than UNOPS;
- (iv) if required by law, and provided that the bidder has previously informed UNOPS in writing of its obligation to disclose the information or documents; or
- (v) if the information is generally and publicly available other than as a result of breach of confidence by the person receiving the information.

40. ETHICS AND CORRUPT PRACTICES

UNOPS requires that all bidders observe the highest standard of ethics during the entire bid process, as well as the duration of any contract that may be awarded as a result of this bid process. Therefore, all bidders shall represent and warrant that they:

- have not unduly obtained, or attempted to unduly obtain, any confidential information in connection with the bid process and any contract that may be awarded a result of this bid process;
- (ii) have no conflict of interest that would prevent them from entering into a contract with UNOPS, and shall have no interest in other bidders or parties involved in this bid process or in the project underlying this bid process;
- (iii) have not engaged, or attempted to engage, in any Proscribed Practices in connection with this ITB process or the contract that may be awarded as a result of this ITB process. For the purposes of this provision, Proscribed Practices are defined in the UNOPS Vendor Sanctions Procedures, and include:
 - A corrupt practice is the offering, giving, receiving, or soliciting, directly or indirectly, anything of value to influence improperly the actions of another party;
 - A fraudulent practice is any act or omission, including a misrepresentation, that knowingly or recklessly misleads, or attempts to mislead, a party to obtain a financial or other benefit or to avoid an obligation;

 - A collusive practice is an arrangement between two or more parties designed to achieve an improper purpose, including influencing improperly the actions of another party;
 - An unethical practice: Conduct or behavior that is contrary to the conflict of interest, gifts and hospitality, post-employment provisions or other published requirements of doing business with UNOPS;
 - Obstruction: Acts or omissions by a Vendor that prevent or hinder UNOPS from investigating instances of possible Proscribed Practices.

In the event that a bidder fails to comply with any of the above representations and warranties, UNOPS shall have the right to reject the bid submitted by such bidder, and to terminate any contract that may have been awarded as a result of this bid process immediately upon notice, without any liability for termination charges or any other liability of any kind of UNOPS. In addition, the bidder may be precluded from doing business with UNOPS and any other entity of the United Nations System in the future.

The Contractor shall provide its full and timely cooperation with any such inspections, post-payment audits or investigations. Such cooperation shall include, but shall not be limited to, the Contractor's obligation to make available its personnel and any relevant documentation for such purposes at reasonable times and on reasonable conditions and to grant to UNOPS access to the Contractor's premises at reasonable times and on reasonable conditions in connection with such access to the Contractor's personnel and relevant documentation.
