FORM AM 10-7:

Procurement Notice/ Re-Advertisement Open International Competition (OIC)

Country of Destination: France

Reference Number: RFP/SC/EO/EV/SIDA /03/2018 REV

Description: Evaluation of the UNESCO/SIDA Project Cooperation Agreement in the Natural Sciences, 2014-18

Deadline for submission of electronic proposals: **6 June 2018 (23:59 CET)**

Posting Date: 16 May 2018

The United Nations Educational, Science and Cultural Organization (UNESCO) hereby invites qualified companies/individuals to submit proposals for the following assignment:

Evaluation of the UNESCO/Swedish SIDA Project Cooperation Agreement, (PCA) in the Natural Sciences, 2014-18

The evaluation requires the following principal qualifications:

- Extensive professional experience in the implementation and evaluation of science programmes for development
- Strong experience in gender analysis and in the use of quantitative and qualitative evaluation methods;
- An advanced university degree with specialisation in a relevant field of natural sciences, public policy or related fields (Master level or above);
- Excellent oral communication and writing skills in English; excellent analytical skills to review and evaluate science-related subjects; and at least good language skills in French (reading and oral communication);
- Furthermore the following qualifications are desirable:
- Expertise in at least two of the following thematic areas: water resources management; the hydrological- and geosciences in Africa, science policy; indigenous and local knowledge preferably with experience with pastoral peoples;
- Knowledge of the development needs in sciences in LDCs, SIDS, Africa; knowledge of the UN system and the Sustainable Development Goals (SDGs), its programming and the application of UN mandates in human rights and gender equality; experience with assignments focusing on multi- stakeholder partnerships and co-ordination in the sciences.

The evaluation team should **collectively demonstrate experience in the above areas to be covered by the evaluation**, and must have no previous involvement in the implementation of activities under review.

Main deliverables: Inception Report, Field missions, (Draft) Final Evaluation Report.

The evaluation will be conducted between June 2018 and November 2018 and is estimated to take up 70 working days.

The purpose of this notice is to provide general information on the requirements for the procurement process and to inform interested suppliers how to obtain a copy of the Solicitation Documents.

Interested individuals/companies who wish to participate in the OIC must request for a complete set of Solicitation Documents, available free of charge, from the UNESCO contact person at the address shown below.

The tenders must be submitted electronically to the UNESCO email address indicated in the solicitation document on or before **6 June 2018 at 23:59 hours (CET)**, in strict compliance with the instructions as stipulated in the Solicitation Documents.

UNESCO reserves the right to amend the documents at any time during the solicitation process. Any amendments or clarifications will be communicated directly to all potential Bidders who have requested for a complete set of solicitation documents and officially confirmed their intention to submit an electronic tender. No remuneration will be made to companies for preparation and submission of their tenders.

UNESCO Contact Information for receiving the solicitation documents:
