About the World Bank Group (WBG)

- The WBG is an international organization with 189 member countries.
- Established in 1944, the WBG is headquartered in Washington, D.C. We have more than 10,000 employees in more than 120 offices worldwide.
- The World Bank is a vital source of financial and technical assistance to developing countries around the world.
- Our mission is to fight poverty with passion and professionalism for lasting results and to help people help themselves and their environment by providing resources, sharing knowledge, building capacity and forging partnerships in the public and private sectors.
- Its five international organizations are the International Bank for Reconstruction and Development (IBRD), the International Development Association (IDA), the International Finance Corporation (IFC), the Multilateral Investment Guarantee Agency (MIGA) and the International Centre for Settlement of Investment Disputes (ICSID).

The Procurement Process: Integrated Phases with Purposeful Reviews

**WHAT**
- Shifting from 'silos' to an integrated, shared process;
- Establishing shared responsibilities and collaboration across departments (including RM and Legal) throughout the procurement process;
- Adjusting timing of procurement oversight;
- Creating a more efficient Procurement through cycle time performance measurement.

**WHY**
- Establish more strategic collaboration between process phases;
- Reduce Risk and improve outcomes through procurement strategy reviews;
- Broaden Oversight to maximize strategic impact;
- Bolster Vendor Follow-Up and Contract Reassessment activities.
