Designing and printing of advocacy material and knowledge products

BACKGROUND:

UN Women, grounded in the vision of equality enshrined in the Charter of the United Nations, works for the elimination of discrimination against women and girls; the empowerment of women; and the achievement of equality between women and men and the third gender as partners and beneficiaries of development, human rights, humanitarian action and peace and security.

All human development and human rights issues involve gender dimensions. UN Women globally focuses on key priority areas that are fundamental to women’s equality and that can unlock progress across the board. The six priority areas include increasing women’s leadership and participation in political spaces, ending violence against women, enhancing women’s economic empowerment, engaging in all aspects of women peace and security processes, making gender equality central to national planning and budgeting through Gender Responsive Budgeting (GRB) and advancing gender intergovernmental processes. Within this context, UN Women Sri Lanka is implementing several programmes in line with UN Women global priority areas.

PURPOSE:

UN Women Sri Lanka is looking for a supplier to provide the services of designing, proof reading and printing of advocacy material and knowledge products, such as research reports, action plans, toolkits etc. The knowledge products and advocacy material are produced in Sinhala, Tamil and English languages.

The service provider is expected to undertake designing and printing tasks corresponding to the 3 UN Women projects mentioned below;

1. Strengthening gender responsiveness of employment sector Policies and programmes: A focus on Women with disabilities in Sri Lanka
2. Hidden Challenges: Addressing sexual bribery experiences by military widows and war widows in Sri Lanka to enable resilience and sustained peace

SPECIFIC TASKS

The selected supplier is expected to undertake designing, proof reading and printing and of the below mentioned 12 deliverables. The supplier is also expected to submit the digital output; Graphic design files on Adobe InDesign or Adobe Photoshop and pdf file of each deliverable. A print proof as per the given printing specifications should be handed over to UN Women for final review, prior to printing the final version.
